

IUComentProtocol

```
classDiagram
    class IUComentProtocol
    class ComentControler
    ComentControler --|> IUComentProtocol
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'IUComentProtocol', which represents a protocol. Below it is a box labeled 'ComentControler', which represents a concrete class. A blue arrow points from the 'ComentControler' box up to the 'IUComentProtocol' box, indicating that 'ComentControler' implements the 'IUComentProtocol'.

ComentControler
